

Slice of Saturna

207 East Point Road

This slice of Saturna is located in close proximity to the beach, school, store & ferry landing. It is a private setting in the valley with mountain, valley and sunset views. There is great potential for fenced in gardening, with a fruit bearing pear tree, black currants, gooseberries, as well as old growth trees sheltering the property, topped for sunlight. There is a 44-year-old 800 sq. ft. mobile home which could be a start while planning your permanent home or cottage. A unique property with lots of potential, at an easy to handle price. This could be the one!
