

A-Frame Waterfront Cabin

667 Tumbo Channel Rd

This little Gem is a '60's fishing camp turned into a cozy family summer cottage on Tumbo Channel. The main level is a grand open space containing a Cooking area; a Dining area; a Lounging area; a Sleeping area, full of rustic charm. There is electric heat and running water. There is an indoor 2-piece bathroom & an outdoor shower. There is a spacious loft for additional sleeping. A waterfront sundeck stretches across the full length of the cabin where you can put your feet up and watch the sea life play in front of you. There are a few shoreline stairs for easy access to the ocean where you could launch your kayaks or go for a swim. A great Getaway property.
