QUARTER OWNERSHIP @ CURRENTS

2315 OTTER BAY ROAD

COTTAGE # 24A

CEDAR FLOOR PLAN

Currents at Otter Bay was developed in 2006 and is a collection of 32 cottages that are privately-owned, pursuant to quarter share ownership through a strata. Currents at Otter Bay on Pender Island offers a beautiful location by the Salish Sea. Currents prides itself with providing a resort feel and provides amenities like swimming pools and games room for the enjoyment of guests and owners. The location is ideal within walking distance to the ferry terminal and the Pender Island Golf Club.

Adjacent to Currents property is the Otter Bay Marina. The Marina has a seasonally open café serving coffee, breakfast and supplies at convenient times. Also adjacent to the property is the Dog Mermaid Excursion company that provides rentals for kayaking, paddle boarding and eco tours.

Owners have exclusive access to their property on a rotational basis — for not less than twelve weeks per year, one week per month with two back-to-back weeks in the summer. The weeks rotate each year, so the most desirable holiday times rotate among the owners. The annual carrying cost (homeowner dues, utilities, taxes, etc.) runs at approximately 25% of what someone who owns an identical unit in its entirety. The management of the property is easy and hassle free. Homes are professionally maintained, repaired and kept secure year-round.
